

A poem is...

A poem is sunlight,

A poem is a Howler Monkey,

A poem is like Salvador Dali's brain,

A poem is a Water Lilly,

A poem is a magical mystery,

A poem is a piece of art

A poem is a piece of learning,

A poem is about the history of eight silly potatoes,

A poem is a sweet mango,

A poem is a star in the sky,

A poem is crazy unicorns,

A poem is love,

A poem is another world,

A poem is emotion,

A poem is a giggle,

A poem is children's dance,

A poem is a rollercoaster,

A poem is a smile,

A poem is a super power,

A poem is craziness.
