

## Year 2 – Snow Day Learning

### Literacy

Please write a recount about your day in the snow.

Remember to use lots of adjectives and stretch your sentences. Also make sure you include some pictures. I look forward to you sharing your fantastic writing!

### Maths

Please have a go at these addition and subtraction challenges:

Year 2 Winter Addition and Subtraction

18 snowflakes fell on Monday, 15 on Tuesday and 7 on Wednesday. How many snowflakes fell over the three days?

twinkl.co.uk

Year 2 Winter Addition and Subtraction

19 robins were sitting on a wall. 13 more came to join them. How many robins were on the wall altogether?

twinkl.co.uk

Year 2 Winter Addition and Subtraction

One snowman has 13 buttons. Another snowman has 18 buttons. How many buttons have they got altogether?

Year 2 Winter Addition and Subtraction

A cup of hot chocolate had 42 marshmallows in it. 28 of them have melted. How many marshmallows are left?

Year 2 Winter Addition and Subtraction

There were 37 ice skaters on the ice rink. 13 were wearing gold and the rest were wearing silver. How many ice skaters were wearing silver?
