

Year 5 Snow Day Planning 01/03/18

Literacy

As it is World Book Day, please write a summary of your favourite book. Try to think about your use of sentence structures – simple, compound and complex.

Spelling

This week we have been revising our 'shun' grapheme. Create a poem that includes as many 'shun' words that you can think of. You can use the words below to help you get started.

| | | |
|-------------|-----------|----------|
| competition | magician | decision |
| expression | education | musician |

Maths

Today, Laura and I went sledging with a range of 'sledges'. Below is a table with our record speeds going down castle hill in Braunton. Round these numbers to the nearest whole number and nearest tenth (0.1) to get our approximate speeds.

| Type of sledge | Speed (metres / per second) | Rounded to the nearest whole number | Rounded to the nearest tenth (0.10) |
|----------------|-----------------------------|-------------------------------------|-------------------------------------|
| Red sledge | 2.63 | | |
| Blue sledge | 2.47 | | |
| Bodyboard | 1.82 | | |
| 'Tank' sledge | 0.58 | | |

Finally, I wish you the best World Book Snow Day! Enjoy yourselves, go careful and I will look forward to seeing you soon!

Miss Hester 😊
