

Developing Character

This terms virtue focus:

Motivation Citizenship
Creativity Determination
Gratitude Resourcefulness
Respect Reflection

Year 4: Autumn Term 2021

In the Through the Ages project, your child will learn about three different periods of British prehistory: the Stone Age, Bronze Age and Iron Age. They will discover terminology relating to time and sequence dates to make a timeline. They explore the changes to people, homes and lifestyle throughout the different periods and investigate examples of prehistoric settlements, monuments, burials and artefacts in detail. They will also study how technology improved over time, including how the discovery of different metals changed the way that people lived.

Innovation

Digital Innovation: New Chromebooks for all children in Y3.

Online homework and using Class Dojo portfolios.
