

Developing Character

This terms virtue focus:

Helpfulness, Caring, Critical thinking, Honesty, Justice, Service, Resilience

Year 3 & 4: Spring Term 2022

In the Rocks, Relics and Rumbles project, your child will learn about the different layers of the Earth, including plate tectonics and their potential effects on the Earth's surface. They will investigate different types of rock to learn about their uses and properties. They will also investigate soil and fossils, including learning about the work of Mary Anning. They will have the opportunity to use maps to learn about the lines of latitude and longitude and a compass to learn about the cardinal and intercardinal points. They will also learn about volcanoes, earthquakes and tsunamis and the long and short-term consequences that these can have.

Innovation

Digital Innovation: New Chromebooks for all children in Y3 and Y4.

Online homework and using Class Dojo portfolios.

C360 Rocks, Relics and Rumbles

Community

Social Action:
During more clement
weather, we will be
beach combing.

Performance:
We will be inviting parents to our play:
Pirates vs Mermaids

Academic Excellence

Maths Focus: Multiplication and Division,
Area, Fractions, Decimals

Literacy: Narrative, Poetry, Newspaper Reports
