

Numeracy

We continue daily fluency of maths facts including number bonds to 10 and 20, counting in 2s 5s and 10s, counting on from any given number up and back to 100.

Addition and subtraction this term consolidates their learning but builds confidence in using larger numbers. We also look at Weight and Volume, Length and Height.

PE.

The Spring term covers multi skills. Gymnastics and Dance. Exciting news for this term....we have a professional coach on a Monday for PE which will develop our core skills.

Computing

We look at the differences when using skills with and without technology – drawing, writing, researching. During the second half term, the children will learn some simple programming.

Music

With the benefit of our specialist Music teacher the class will be developing skills in performing, listening and composing music of different genres.

KS1 Topic Web Spring 2022

Character Education & PSED

We will continue looking at the Character Virtues – Helpfulness and Caring. The children will have the opportunity to be inspiring speakers, volunteers, leaders and adventurers as they work towards their Inspiring Challenge Awards.

Humanities

Geography

The UK, Capital Cities of the countries in the UK.

The world's Oceans and Continents.

Human and Physical geography.

Maps and compass skills.

Science

The Spring term is a lovely one to continue to learn about different animal groups. We will use the Forest School to hunt for bugs and understand their habitat. Our trip to Rosemoor underpins our learning of plants.

Literacy

Key Texts:

The Magic Bed

Emma Janes Aeroplane

How to catch a Lion

Our texts are focussed around the topic Bright Lights Big City and allow us to use the knowledge learnt in our Topic lessons in our writing.

Using our phonics to help us spell words and putting them into sentences

Oracy continues to play an important part of the learning. Practicing saying sentences out loud and experimenting with vocabulary before putting pencil to paper.

Religious Education

Having look at Christianity last term, we move to understand and compare a different faith/belief, Judaism,

Art

We are lucky to have the expertise of our Art specialist to support in Year 1. The children will develop skills in using a range of media from chalk to oil pastels, paints and ink.

Design and Technology

After half term we turn our attention to 'food tech' specifically linking with our Great Fire of London topic. We will be exploring bread and making some of our own.
