

Numeracy

We continue daily fluency of maths facts including number bonds to 10 and 20, counting in 2s 5s and 10s, counting on from any given number up and back to 100.

Addition and subtraction this term consolidates their learning but builds confidence in using larger numbers again. Multiplication and Division are introduced using a variety of resources to help us master these skills. We also look at fractions, money and telling the time.

P.E.

The Summer term covers Tennis, Football, Athletics and Multi-skills. Exciting news for this term...we continue to have a professional coach on a Thursday for PE which will develop our core skills and have the benefit of Miss Strong's PE specialism for our Wednesday PE session.

Computing

We look at the differences when using skills with and without technology – drawing, writing, researching. During the second half term, the children will learn some simple programming.

Music

With the benefit of our specialist Music teacher the class will be developing skills in performing, listening and composing music of different genres.

KS1 Topic Web Summer 2022

Character Education & PSED

We will continue looking at the Character Virtues – Curiosity, Courtesy and Cooperation. The children will have the opportunity to be inspiring researchers, and volunteers, this term as they work towards their Inspiring Challenge Awards.

Humanities

History
The Victorian Era.
Queen Victoria, The Industrial Revolution,
Life at school during the Victorian times.

Science

We focus on Materials this term, but also spend some time understanding the change in seasons, the weather and consolidate learning on animals and plants.

Literacy

Key Texts:

Lost & Found

Oi Dog

Hairy Maclairy

The day the crayons quit

Poetry

Using our phonics to help us spell words and putting them into sentences

Oracy continues to play an important part of the learning. Practicing saying sentences out loud and experimenting with vocabulary before putting pencil to paper.

Religious Education

We look at the Muslim religion this term and compare it to our previous learning on other faiths.

Art

We are lucky to have the expertise of our Art specialist to support in Year 1. The children will develop skills in using a range of media from chalk to oil pastels, paints and ink.

Design and Technology

After half term we turn our attention to 'mechanisms' We will be different types of mechanisms that can be used in cards.
