

Alumnis Community - Inspiring Stories

We are EYFS and KS1 at **Woolacombe School**

Children in KS1 and EY showed great curiosity when they visited Rosemoor Gardens. They spent time as researchers learning all about plants and life in the garden. They really enjoyed exploring somewhere new and showed great cooperation with each other.

Reception class taking part in a beach clean to help care for our community.

There have been plenty of opportunities for Skill Building at Woolacombe this year, particularly through design and Technology projects. Reception learnt how to make mechanisms, year 1 have learnt to sew and year 2 have become bakers!

Our Sea Stars have been Inspiring Storytellers and actors during Story Square time in our nursery and children worked hard during rehearsals to become Inspiring speakers in our nativity and Christmas productions!

Our community were extremely generous when Woolacombe School created some beautiful Sunflower artwork to sell as part of our community fundraiser for Ukraine.

Alumnis Community - Inspiring Stories

We are KS2 at Woolacombe School

Our KS2 children are taking on leadership roles including training up as playground leaders to support and inspire others in their play.

Our children have developed a range of creative skills when preparing a special fundraising gallery. We raised money as a community to support Ukraine.

Our KS2 children have written and rehearsed their own TED talks developing their research and speaking skills. They showed great critical thinking and courage when sharing with others.

Our children went on an inspiring residential to London, exploring so many amazing places and meeting new people. What an adventure!

KS2 children have shown great determination in preparing for their performances which were shared with our community.

Our Year 5 and 6 children joined the National Trust to plant 1000 trees in our community to support local wildlife and to continue to help caring for our world.
