

Year Reception: Autumn 1 2022

In this unit we will be discussing the questions: What is special about me? How do we show that we care?

In this project, we'll learn about love, families and how people are the same and different. We'll pose for photographs and recognise ourselves, our names and our friends from a photograph display. Mirror, mirror on the wall... We'll look at our reflections and talk about what we can see. In our cosy home corner, we'll care for dolls and teddies. We'll enjoy sharing books about love, feelings and families. Outside, we'll practise following instructions and think about how our brilliant bodies move. Using our mathematical skills, we'll measure and compare our hands, feet and heights. Getting creative, we'll make amazing artwork of people we love.

Creative and Critical Thinkers

Children will begin to retell familiar stories adding their own twist.

Explorers and Active Learners

Maths: Children will begin to have a deeper understanding of numbers up to 10.
Literacy: Children will learn Phase 2 graphemes and phonemes.

Relationship Builders

Performance: Children will be performing their harvest festival song in Church.

Carers of our World

This half terms virtue focus:

Motivation, Citizenship, Creativity, Gratitude
