

## Year 4: Spring :

During the Spring term, your child will explore the water cycle based around our topic 'Misty Mountain, Winding Rivers.'

They will visit Lynton and look at the River Lyn and learn about rivers, flooding and how it impacts on our environment around us. Your child will learn about mountains, including constructing their own mountain to show the river running from source to mouth and indicate where processes of the water cycle take place.

We will also be visiting Bristol on our residential trip, which promises to be an amazing adventure.

## Developing Character

Justice, Helpfulness,  
Critical Thinking, Caring,  
Resilience, Honesty,  
Reflection

Changemaker Challenges  
Inspiring changemaker -  
UN goals  
Inspiring Adventurer -  
Bristol  
Inspiring Skill Builder -  
Clarinet

## Innovation

Children will continue to complete a weekly reflection on their learning and use their chromebooks to explore our world, using a 'Where in the World template.'

## Community

Inspiring changemaker  
UN sustainability goals  
World Book Day  
Performance:  
Children will be performing in the Year 3 and 4 Easter production.
