## Year 3: Autumn Term 2023

Our History topic this term is 'Through the Ages'. Throughout this unit we will focus on the changes in Britain between the Stone Age and Iron Age (relating to the key concepts) and examine what life in the Stone Age, Bronze Age and Iron Age Britain was like.

We will focus on becoming historians by looking at different artefacts as evidence and comparing sources and their reliability to build a picture of the past.

Our literacy book 'The Stone Age Boy' also ties in with the unit as a cross curricular and explores what life was like in the Stone Age.

**Developing Character** 

This terms virtue focus:

Motivation, Citizenship, Creativity, Gratitude, Respect, Reflection, Determination. Resourcefulness
