

## Nursery: Autumn 1 2023

In the Me and My Community project, your child will learn about the school community and building friendships. They will explore the school grounds and find out about all the people in school who are there to help them. They will explore how they are special and unique and how everyone's family is different. They will take part in practical activities to support them to build new friendships and explore what makes a good friend. They will also find out about people in the community who help us, including doctors, nurses, and the emergency services.
