

## Year Reception: Spring 1 2025

In the Once Upon a Time project, your child will be introduced to the wonderful world of stories. They will listen to a range of traditional tales and have the chance to act out the stories in their play. They will also listen to alternative contemporary stories to see different viewpoints from the characters. They will use the stories to think about how life has changed from when the stories were written. They will also make up their own stories and make masks, props and puppets to act out their stories.

## Explorers and Active Learners

The classroom learning areas will be set up linked to our topic and key learning. Changemaker challenge - class project.

Our topic will allow to follow what the children's interest and for opportunities for children to take risks in their learning.
